As an alternate for those wishing to effect a small saving, Council offers a flat \$12.00 fee for the balance of the year to those already having paid the first quarter.

IN MEMORIAM - M.S. A. LAURENSEN

In loving memory of our dear mother, who passed away March 12th, 1960.

One long and lonely year has passed,
Since our great sorrow fell,
The shock that we received that morn,
We still remember well.

Our hearts still ache with sadness
And secret tears still flow,
What it meant to lose you Mother Dear,
No one will ever know.

When we are sad and lonely
And all things seem wrong,
We seem to hear you whisper

"Have Faith and carry on."
Each time we see your photo,
You seem to smile and say
"Don't cry I'm only sleeping,"
We'll meet in heaven some day.

Sadly missed and always remembered by husband Alfred and children.

The Suggestion Box developed into a very busy Question and Answer period with practically every member present taking part and covering subjects on propagation of roses, how to grow good carrots and kohlrabi, use of insecticides and handling dahlias.

During a coffee session, Mr. Farrow gave a demonstration and led in a discussion on the propagation of gladiolus and splitting of dahlia roots. He was thanked by the President for his timely address, now that all gardening preparations should be underway.
