Spring has arrived! We still have plenty of snow, but we know that everyone has started to think about the break-up which will usher in a host of summer activities. To help you get into the spirit, Kiwanis has again put an old model car on Hayes Lake near the dam, and will award a \$200.00 Canada Savings Bond to the person who makes the nearest forecast of the sinking of this car. Tickets are on sale now by all Kiwanians. The Contest closes on April 10th.

Completed tickets may be deposited in boxes located at the guard station at the Mill, the Post Office, L & L or Tony's Red and White Store.

Come and join in the fun, and remember-- you not only have a chance to win \$200, you are also supporting local Kiwanis activities.
