SCHREIBER LIONS (Cont'd from Page 7)

the skating rink was badly in need of repairs and this was done by the Lions Club at a cost of \$175 and assistance was given in the form of Christmas Hampers costing another \$53.16. Band instruments were donated conditionally to the Terrace Bay Band, the purchase of these amounting to \$203.40. A further donation of \$25 was made to the local group in charge of Christmas Hampers. We have not as yet finalized our cost of paying ice time for local minor hockey but this should run approximately \$225. Again this report is made to the public to let them know the Schreiber Lions Club is making every effort to assist those in need, and to show the public the monies we collect are being well spent. The Schreiber Lions Club wishes to thank all those who have assisted them in any way and trust we can solicit your support in the future.

FIRE DEPARTMENT NEWS

With the rapid disappearance of snow comes the hazard of FIRE. Grass fires in particular are now becoming a danger to the Community but we believe that if children of the municipality can be impressed with the danger and keep matches out of their reach we will eliminate the danger before it starts.

Children or adults should know that under the Fire Marshal's Act, Section 375 and under Forest Protection Act, Section 12, anyone who wilfully or for fraudulent purposes sets fire is likely to end up with a heavy fine or imprisonment or both. We would not like to see this happen to anyone here. Your Fire Dept. asks everyone to impress their children not to take chances and not to start fires without proper supervision and away from grass, trees or buildings.

REMEMBER - A MATCH HAS A HEAD BUT NO BRAINS - LET'S SHOW THAT WE HAVE BOTH. FIRES ARE "THIEVES" - DON'T GIVE IT A CHANGE TO GET AWAY WITH ANYTHING IN OUR COMMUNITY.
