NORTH SHORE NURSES HOLD MEETING

The regular meeting of the North Shore Nurses Association was held on Tuesday, April 11th in St. Martin's Hall, Terrace Bay. An interesting film on modern surgery was shown followed by a short business meeting.

The Marathon group kindly consented to have the dinner meeting in Marathon in May, the date to be announced later.

Mrs. P. Buck gave an interesting talk on the changing ideas concerning several common drugs. She also spoke on poliovirus vaccine, stating that it is unlikely that oral tablets will be on the market before 1962. The continued use of Salk vaccine is being vigorously promoted so that as many people as possible under the age of 50 will be protected by the full series of four inoculations.

Mrs. J. Plummer then spoke on the month's refresher course on nursing which she took at the Lakehead, noting the changes in technique and modern trends in nursing. Her very interesting talk was followed by a spontaneous question and answer period which proved that the group, while mostly inactive nurses, are still very interested in nursing and new nursing procedures.

Lunch was served by Mrs. V. Hopper and her Terrace Bay group.
