CURLING CLUB ANNUAL WIND-UP

The Terrace Bay Curling Club Annual Banquet and Dance will be held Saturday May 6th, starting at 6.30 P.M. in the Moose Hall.

Following the Banquet trophies and prizes will be presented by the donors to the various winning teams.

The dance to follow promises to be, as usual, the highlight of the Curling year.

The entertainment committee have spared no effort to make this Annual Windup Party the best one ever.

Tickets are now on sale and may be purchased from Jessie Ratchford at Waghorns Pharmacy, Freddie MacMillan at the tool crib, and Jim Beddard at the Mill Personnel office. Phone orders will be taken by Rune Ostling, phone 3363.

The Bar at the Moose Hall will open at 5.30 P.M. Saturday afternoon to give all curlers and their escorts an opportunity to get together before the banquet.

BLACK BEAR BANTER

The meeting of April 20 opened at 6.35 P.M. with 19 scouts and 4 leaders present. The colour Party from the Fox Patrol brought forward the colours. Scouter Brian then gave

the announcements concerning the troop. Inspection of the Patrols was carried out and the Scouts then enjoyed an energetic game of chain-tag.

The boys then broke off for Patrol Corners. When the Scouts returned to the horseshoe Scout David Shivas was invested by Scouter Brian.

The troop was dismissed ending a very successful meeting.

by David Mercier,
Beaver Patrol.

STAN HODGKISS HONOURED

A local man, Stan Hodgkiss, was honoured last Saturday when he received the 1960 Conservation Achievement Award, presented by the West Fort William Kiwanis Club at the Annual Sportsmen's Show.

LEGION NEWS

Presentation of the Charter to the re-organized Terrace Bay branch No. 223, and installation of officers will take place in the Moose Hall, Saturday, April 29th. The Colour Party will be from the Schreiber Branch and Guest Speakers will be Mr. J.N. Gillespie, District Commander, Mr. A. Gray, Fort William Branch. Medals will be worn by all veterans. The general public are invited to attend and enjoy this occasion. Lunch and refreshments will be served. Ceremonies start at 8 P.M.

It's a great pity that things weren't so arranged that an empty head, like an empty stomach, wouldn't let its owner rest until he put something in it.
