**FIRE DEPARTMENT NEWS**

With the 24th of May approaching, the old custom of fire-crackers comes to the minds of many. Not so many years ago, before laws were passed by many communities banning the local sale and use of fireworks, a number of accidents and fires were caused by their use. Children lost their eyesight or became deaf--others were badly burnt--all as a result of noise makers being held too close to eyes or ears. Sometimes a prankster dropped one down someone's neck or pocket, causing serious burns.

In our community, with the bush at our back door, carelessness of this nature could be a serious matter as well as a potential fire hazard. I believe that if everyone does their part no mishaps will occur. Common sense will never start a fire. It is only when carelessness is involved that we have these unfortunate mishaps. Your co-operation on this subject will be greatly appreciated by your Fire Chief and volunteers.

Remember when going fishing - have a travel permit. These are available at the Fire Hall daily from 8 to 4:30 and Saturday from 8 to 12 Noon. Plan your fishing trips ahead of time and get your permit so that you will be able to go into the bush and be protected.

of Terrace Bay presented their 2nd Annual Concert to an appreciative audience gathered in the High School Auditorium.

The programme, divided into four sections, opened with the ensemble on stage, wearing vari-coloured evening gowns, picture hats and carrying nosegays, fans & parasols, singing a group of lilting Viennese Waltzes.

The second section included the Kashmiri Song with the solo part done by Miss Louise Roland and concluded with the beautiful "In A Monastery Garden."

Teen Town members presented one of their mirth-provoking numbers when, with appropriate actions, they greeted "Chloe" a la Spike Jones.

Following intermission guest artists were trumpeters P. Rapke, W. Colborne, F. Gould and L. Kimerer who entertained with four selections. The Harmony Belles then presented four numbers which ranged from the haunting "Where'er you walk" to the sprightly "Siboney."

Highlight of the event was a Minstrel Show when the Harmony Belles appeared on stage in Black Face and Costume and presented some rollicking tunes. Comedy relief was handled by David Wheeler as Interlocutor and Donald Farrow as "end Lady?".

The Harmony Belles are conducted by Mrs. E. Hodgkiss who is also accompanist. Immediately preceding the concert she was the recipient of a beautiful basket of Red Roses - gift of the choir members. (Cont'd P. 11)
