**SAFETY EVERYWHERE -**

All the time

The Kimberly-Clark Mill and Home safety contest #2 has been cancelled

for the pay period of May 23rd to June 8th due to a disabling injury occurring on June 3.

Mill and Home contest form #3 will be distributed on June 8th at all mill pay stations.

Remember the time to prevent an accident is before it happens.

To promote interest in the family effort to prevent accidents the film "Safety Everywhere All the Time" is available for showing to all Club groups in the area.

This film is a 16 mm colour sound film with a running time of 30 minutes.

Arrangements for the film are to be made with Verl Thompson, Dial 3211 local 302.

**BICYCLE SAFETY RODEO**

The first bicycle safety rodeo held on Saturday, May 27th in the Terrace Bay Arena was a tremendous success. Nearly a hundred school children took part riding their bicycles through the very difficult obstacle courses which were designed to test their riding ability.

Each bicycle was thoroughly inspected by Constables H. Billings and C. Simmer and it was noted that 9% of bicycles had defective brakes and only 14% were equipped with a head light.

Five judges awarded each contestant points in the Safety Rodeo with the maximum of 74 points for a perfect score.

Following are the list of winners in the three age groups, and the prize award received.

Junior Group - up to and including 8 years of age: 1st - Lewis Cornwall - combination horn and head light; 2nd - Billy Brend - double kick stand; 3rd - Nora Bishop - Mud guard flaps; 4th - William Hartman - pair plastic streamer grips; 5th - Werner Hermes - pair plastic streamer grips.

Intermediate Group - ages 9, 10 and 11. 1st - Patricia Simmer - combination head light and horn; 2nd - Michael Leblanc - plastic carrier; 3rd - Graham Coe - mud guard flaps; 4th - Lyn Simmer - plastic streamer grips; 5th - Molly Harris - plastic streamer grips.

Senior Group - 12 years and up: 1st - Bob Robinson - combination head light and horn; 2nd - Mark Boudreau - Touring bag; 3rd - Bill Shirriff - rear view mirror; 4th - Jack Crandlemire - plastic streamer grips; 5th - Elizabeth Hayes - plastic streamer grips.

We wish to thank the boys of the Teen Town Club and Mr. Ken Ward who helped lay out the Safety Rodeo course, the Custom Car Club members for testing the contestants and the Kimberly-Clark Pulp and Paper Company for their assistance. (Sgd. ) Constable H. Billings.

Public	14.83	14.83		
Separate			19.70	19.70
High	9.47	9.47	9.47	9.47
Town	25.53	25.53	25.53	25.53
<b>Total</b>	<b>63.91</b>	<b>67.11</b>	<b>68.78</b>	<b>71.98</b>
1961 Rates	63.91	67.11	68.78	71.98
1960 Rates	60.955	64.245	62.295	65.535
<b>Increases</b>	<b>2.955</b>	<b>2.865</b>	<b>6.485</b>	<b>6.445</b>

The increase this year though small is explained by extensive work having been done on the old sewage disposal beds, which have served well since first installed.

Much exploratory work has gone into the preparation of replacing the old disposal bed, and materials will be purchased this year, the whole job should be completed in 1962 at an approximate total cost of \$30,000.00 to \$35,000.00. It is possible that funds for the balance of this job will be raised by floating debentures.

**U. S. EDITORS FETED IN TERRACE BAY**

It was a stimulating experience to meet and talk with some of the Editors travelling on a tour arranged by the Ontario Department of Travel & Publicity. The bus arrived in Terrace Bay on Tuesday afternoon and its passengers were greeted by the Chairman of the Commerce Committee, F.O. Soughton.

Head table guests introduced by Mr. Soughton were Bruce E. Layman of Warren, Indiana, Colin McDonald of the Dept. of Travel & Publicity, J. Heenan, Deputy Reeve, R.G. Shirriff, Mill Manager, L. Crandlemire, Area Manager of Ontario Hydro, G.E. McKinnon, District Forrester from Geraldton and S. Hodgkiss, Pres. of the Ont. Federation of Anglers & Hunters.

Mr. Soughton, who had given details of the development of the Community in an earlier greeting, introduced J. Heenan who, on behalf of the Township, greeted the visitors and spoke on Municipal Government in Terrace Bay from 1947 to the present. One question asked was "Can a Reeve fix a parking ticket?"

R.G. Shirriff outlined the progress and development of the Mill and Townsite from its inception in the early 40's to the present, mentioning that \$50,000,000 was spent by Kimberly-Clark Company in the project and quoting figures such as the annual payroll (in excess of \$3,000,000) - weekly payments to the C.P.R. of approximately 60,000 for incoming and outgoing freight, etc., and the substantial amounts spent on Hydro Utilities -- all major factors in the economy of the district.
