**"COMETS" SPLIT DOUBLE - HEADER**

The Terrace Bay Comets played host to the Fort William East Ends on Sunday and dropped the first game 4-1 on a neat 2 hitter by Albert Lipka. The Comets scored their run in the third inning when Alber Josta doubled and came home on Taylor's single. East Ends tied the score in the 5th when Caruso doubled and came home on MacKenzie's single. East Ends came back with 3 runs in the sixth and that proved to be the ball game. Rex Taylor pitched 6 innings and had nine strike-outs and walked 6 before being lifted for a pinch runner. Don Wilkinson pitched the 7th inning and struck out two of the 3 men he faced. In the second game, Ricky Polhill pitched beautiful ball to lead the Comets to a 2-1 victory. East Ends scored in their half of the second inning, and the Comets came right back in their half to tie the score. The Comets came back with another run in the 5th inning and that was the ball game as far as the Comets were concerned. Sonny MacLeod led the Comets in hitting with 3 singles, while Bill Pytyck had a double and a single. Rick Polhill also had a single.

The Comets were without the services of regular 3rd baseman Ray Hansen, who is in hospital with a bad back. He joins Bill Hanley and Carl Kolody on the sidelines. Despite a bad leg Rex Taylor continues to play and has pitched pretty good ball despite the fact he has lost two games.

Comets next home game is Sunday, June 18th when the Port Arthur Red Sox will be here.

**MINOR BASEBALL NEWS**

All leagues in Minor Baseball, after the third week of operation, were still operating well with a great improvement shown now that the High School students are providing regular coaching.

International League, of 5 and 7 year-olds, continues to operate every Tuesday and Thurs. at 4.30 p.m. In the American League, the YANKEES have jumped off to a fast start with 3

successive wins, but are being closely followed by both the INDIANS and TIGERS.

To date, the National League has been dominated by the play of the DODGERS, and it appears that some re-shuffling of players may be necessary for this league. The DODGERS have won 3 straight by lop-sided scores. The PIRATES, BRAVES and GIANTS are fighting it out for the runner-up spot.

In the Bantam League, the BLUES and WHITES have split games to date, and continue their All-Star practices on Thursday nights.

**HOUSE LEAGUE FASTBALL**

The new House League Fastball League commences this week, with teams representing Shift 1, Shift 2, Shift 3 and Salary vicing for the championship. Teams have been as evenly matched as the executive could arrange for. Team lists and game schedules have been handed out to most of the players. Those who have not already received copies may pick them up from their team representative. Copies of these lists are posted on the Recreation Centre bulletin board.
