HYDRO EMPLOYEES HONOUR MR. ERNIE ELVISH

Thirty-five Hydro Employees and their wives were guests at a steak dinner held in the Schreiber Hotel last Thursday evening.

The dinner, an affair held to celebrate an accident-free year, is the sixth such banquet held since the Safety Program started. The Northwestern Region have accumulated an enviable quarter million accident-free man hours since their safety program was inaugurated.

Mr. Ernie Elvish of Port Arthur, Hydro Safety Officer for the Northwestern Region, was the recipient of an oil painting done by Mrs. Sadie Gaulin, entitled "Hydro Tower & Bay", presented to him by Ken MacLeod as a pre-retirement memento of this district.

SPECIAL MUSIC AT COMMUNITY CHURCH SUNDAY

DISTRICT DIRECTOR ADDRESSES HORTICULTURAL SOC.

Mr. Fred MacDonald, District Director and Mr. and Mrs. Ernie Rollason, Fort William, were guests at the regular meeting of the Terrace Bay Horticultural Society in the Recreation Centre's meeting room. Mr. MacDonald complimented the Society on increased membership and activities, especially in their large Junior Division which he found commendable for a small town. He outlined the forthcoming trip of the Association's Secretary, Mr. R.F. Gomme, and extended a cordial invitation to any member to attend the Convention at Wawa on June 24. Mr. Gomme would open a new Society in Manitouwadge before continuing to the Head of the Lakes for June 28. There would be an afternoon meeting of the District

Directors and possibly an open meeting in the evening. Mr. MacDonald urged as many members as possible to attend these meetings.

Opening with the Minutes and correspondence read by Gertrude Cotton and financial report by Alice Farrow, the President H. Goodfellow called for reports from the Committee Chairman. Eva Connors reported 164 paid up members and Lou St. Louis reported 86 members enrolled as Junior Gardeners with seeds distributed and instructions given on garden judging once a month for three months, beginning near the end of June due to the late spring. Extra seeds and supplies had to be purchased this year.

Angus Fraser's report on the Works program was presented by Mr. Farrow stating the hundred rose bushes purchased had been planted at the Cemetery, the Triangle and a bed replaced at the Hospital. Begonias would be ready for planting over the weekend. Alf Desrosier's report showed there were only two Test Plots left for members. The President explained a request for further rose bushes for town planting.

Mr. and Mrs. Rollason spoke briefly to the garden enthusiasts and flower lovers before Mrs. Rollason gave a very talented demonstration of floral arrangements for a variety of occasions and variety of settings. The very lovely arrangements were then drawn for and the lucky winners received all the flowers from Mr. and Mrs. Rollason. Coffee and cake was served by Mrs. Connors and her committee.
