CONSTRUCTION IN TERRACE BAY

Work on the Norwood Motel has progressed at a rapid pace and the owner, Mrs. R. Paget, expects to open for business at an earlier date than first anticipated.

The firm of Stead & Lindstrom have started work on an addition to St. Martin's Separate School. Two rooms are being added to the front of the building, extending out to the sidewalk on Selkirk Avenue.

It is hoped that the new rooms will be ready for occupancy in about sixty days. The expected enrolment (254) will tax the existing rooms beyond their limits.

The new Building Supply Centre in the industrial area, though not completely renovated, is now open for business.

Several new homes are also in process of construction and many citizens are building garages or making other changes in the inside and on the outside of existing homes.

SAFE LOOTED IN RECREATION CENTRE

A safe containing approximately \$1,100 was rifled sometime during the night of July 9th - 10th at the Recreation centre in Terrace Bay.

Entrance to the building was gained through the Curling Rink by forcing the rear door, through the lounge where a door between the lounge and snack-bar was also jimmied, allowing entry to the snack-bar where the safe was located.

The job on the safe is thought to have been done by expert cracksmen. At least two men were involved and a car is presumed to have been used in their getaway.

Local police and Ontario Provincial Police are investigating.

FASTBALL CANCELLED FOR TWO WEEKS

Due to the absence of the majority of players during the next two weeks, House League Fastball action has been suspended until the vacation period is over.

Games will resume on Monday, July 24th with the regularly scheduled game for that date. The games postponed will be re-scheduled for a later date.

FIRST NORTH SHORE SWIM MEET SATURDAY,

The first in a series of three North Shore Swim Meets will take place at the Marathon Pool next Saturday, July 15th.

Most of the events on the programme will remain the same as last year, with scoring on the basis of three points for First Place, two points for Second Place and one point for Third. Swimmers may enter any three events plus one of the relays. A swimmer's age will be taken as of July 1st, 1961.

A representation from Terrace Bay will attend the Meet in Marathon. Red Rock swimmers captured the championship last year and will do their best to retain the crown.
