OVER SIX HUNDRED ATTEND OPEN AIR MASS

Bright blue sky, interspersed with fluffy clouds dominated the setting as over six hundred attended the Open Air Mass in Schreiber last Sunday. The crowd, although predominantly from Schreiber and Terrace Bay, represented many points in the District--from Fort William in the West to Geraldton in the North to White River and Wawa in the East.

Following the procession from the Church to the field, Mass was offered by Rev. J.M. Cano, Parish Priest of Schreiber. Dean Gallagher of Terrace Bay provided a commentary on the origin and symbolism of the vestments worn as well as an explanation of the Mass itself.

Very Rev. R.St.James of Corpus Christi Parish, Port Arthur, delivered the sermon. He stated that it was very praiseworthy to see people show their love for Our Lord by attending these public demonstrations of faith; however, he also noted that one of the main evils of our time stemmed from the fact that too many people failed to apply the lessons taught by Our Lord to their every day lives.

NO ROLLER SKATING SUNDAY

The Kiwanis Fish Derby takes over the Arena this weekend so that roller skating will be cancelled for this Sunday.

Regular session will be held Thursday from 7 - 10 P.M. and Sunday skating from 8 - 10 resumes on August 13th.

COMING EVENTS CALENDAR PLANNED

The "News" management plan to start a "Coming Events Calendar" - to be printed in each issue stating what is scheduled by the different organizations in the District each week. There would be a general heading only, e.g. - DATE - Horticultural meeting, 8 P.M. Rec.Cen. DATE - Dance - High School 9 - 12 P.M., etc.

This can only be effective if all organizations planning events will co-operate. If the information is sent to our office well ahead of the scheduled event we will keep a master list and will be able to provide information when conflicting events are scheduled on the same weeks or dates.

Organizations in the district are urged to consider the proposal and contact us with dates of future projects.
