**NEAR TRAGEDY AT JACKFISH LAKE**

Quick action by two Terrace Bay residents in giving artificial respiration brought life back to two Schreiber children last Sunday.

Mr. E. Morin of Schreiber took his family and a playmate of his son Denny, Brian MacCuaig to Jackfish Lake. Denny and Brian were playing in the water and for a few moments were unwatched. Mr. Morin noticed Brian floating face down in the water and carried him to shore where Roy Larson immediately began artificial respiration. Mr. Morin then saw the feet of his son sticking out of the water but, as he was unable to swim, could not reach him. Mr. Larson's daughter, Darlene, swam out and brought Denny to shore.
