### NORTH SHORE NURSES ACTIVE "HELPING HANDS"

Each year The North Shore Nurses of Terrace Bay, Schreiber and Marathon sponsor a project, the proceeds of which are used for a worthy cause.

In the past three years the group has raised over a thousand dollars, of which donations have been given to the Mental Health Association, and to the School for Retarded Children at the Lakehead. This year our project is to raise money for the Children's Aid Society of Schreiber, who do so much work in child welfare for this North Shore area, and are not Government sponsored.

For our part the Nurses of Terrace Bay this year are sponsoring a "Pay-What-You-

Pull Draw" -- with the price of tickets ranging from 1¢ to 25¢. There are two prizes \$50.00 and \$25.00. This draw will take place at the Armistice Dinner on November 11th. Tickets may be obtained from any nurse in Terrace Bay. Remember it is for a worthy cause so buy a ticket when you are approached.

The Terrace Bay Nurses also sponsor a Tuck Shop at the Hospital for the convenience of the patients. The proceeds from this endeavour will also go towards the current project for the year. The Tuck Shop consists of candy, cigarettes, writing pads, and envelopes, knitted goods for the new baby and other miscellaneous articles. Anyone wishing to donate knitted articles or anything which could be used for the Tuck Shop could contact Mrs. J. Hale or leave them at the Hospital.

### CURLING CLUB NEWS

Saturday, October 14, saw a real good work party pouring concrete for the main floor of the new lounge building. In the last two weeks club members have poured approximately 2400 square ft. of concrete for the floor area. The Building Committee would like to sincerely thank the members for turning out in such good style. With about a month's time left before curling starts it is hoped that by continued effort, the new lounge will be in fine shape for the curling season.

We hope anyone interested in curling will sign up soon for this season. A membership committee with Jim MacDonald as chairman will soon be at work taking rink applications and individual applications. All of the present members and prospective members are requested to fill in an application form so that the committee will be able to determine how many members and rinks there will be this year.
