**SAFETY
EVERYWHERE -
ALL THE TIME**

As a disabling lost time injury occurred in the plant during the period of contest number 9 no prize awards were drawn.

Contest entry forms number 10 have been issued to all employees. This will be the last contest form issued. The forms must be completed and placed in the mill contest box by 8 A.M. November 8th. Complete and submit your entry form today.

Remember - Caution, Care and Common Sense will eliminate accidents.

KIWANIS CLUB DONATES TV AND RADIO AERIAL INSTALLATION TO TERRACE BAY PRIVATE HOSPITAL

At a simple ceremony held Monday, Oct. 16th evening in the Terrace Bay Private Hospital, Mr. S. Boyd, Sr., President of the Terrace Bay Kiwanis Club Incorporated switched on the power controlling a new Radio and TV installation, cost of which was borne by the Club.

Some year and a half ago the Kiwanis Club decided they would like to do something for the Hospital. On approaching hospital authorities the staff felt that a TV Hook-up would be of great benefit. Monday night saw the culmination of Kiwanis Club efforts.

A cheque was presented to Mr. Bert Lohr of Community TV Services who had made the installation. A nominal charge will be made by Community TV Services for rental of Television and Radio sets, which may be had by the day, week or month.

EAST THUNDER BAY TUBERCULOSIS ASSOCIATION HOLDS MEETING IN TERRACE BAY

The East Thunder Bay Tuberculosis Association held their regular Fall meeting in the Terrace Bay Recreation Centre at 2.30 P.M. Sunday. President Mrs. John Ferrier presided with nineteen members present. Also present were Mr. D. Stewart, President of the Ontario Tuberculosis Association and Mrs. Stewart from Kingston and Mr. E.J. O'Brien, Executive Director of the Ontario Tuberculosis Association from Toronto.

The president welcomed all those present from White River, Manitowadge, Marathon, Schreiber and Terrace Bay. Their presence, in spite of the distances involved, indicated their interest in the work of the Association and also their particular interest in meeting and hearing from their guests for this occasion.

She briefly thanked the Association for having given her the opportunity to attend the Sixteenth World (Continued on Page 7)

**KIWANIS
HALLOWE'EN PARTY**

The annual Hallowe'en Party sponsored by the Terrace Bay Kiwanis Club will be held in the High School Auditorium from 6.30 to 8.00 P.M., Tuesday, October 31st.

Please note that this party is for children 8 years old and under.

There will be a Grand Parade, Clowns and Treats. Prizes will be awarded for the best costumes.

LOCAL GIRLS TO COLLECT FOR UNICEF

On the eve of Hallowe'en girls of the Terrace Bay Guide and Brownie movement and those who are members of the Canadian Girls in Training, will give residents of the community an opportunity to donate to the United Nations Children's Fund.

UNICEF - an organization devoted to helping economically underdeveloped countries in their efforts to improve the health, nutrition and welfare of children, depends entirely on voluntary contributions from governments, private groups and individuals.

The eminent entertainer, Danny Kaye, is one of the supporters of the movement. In Canada Kate Aitken, chairman of the Ontario Committee, will conduct a televised appeal which will be broadcast Thursday, Oct. 26th at 5.30 P.M.

Local Guide Authorities point out that this drive will be carried out in the traditional "trick or treat" manner. This means that the girls will, if they choose, be in Hallowe'en costume but each will wear a tag identifying them as collectors for UNICEF. Householders will be greeted with the "trick or treat" cry and may, if they are so inclined, "shell out" candies, apples etc. as well as a donation which will be dropped in the UNICEF Box each girl will carry.

These girls will be making their calls between 6 P.M. and 9 P.M. Remember no contribution is too small - one cent will buy 5 glasses of milk - 5¢ will buy enough vaccine to protect five children from T.B. and 10¢ will buy 50 vitamin capsules. Be generous - help underprivileged children all over the world.

MOTEL CONSTRUCTION STARTED

Terrace Bay Enterprises have started construction on their new 21 unit motel. Footings will be poured on Tuesday night.

Renovations are underway on the garage premises which will be situated behind the motel proper. The management hope to complete these renovations (Cont'd Page 13)
