

**BADMINTON NEWS**

The 1961-62 Badminton season opened Wednesday, October 11th with thirteen members in attendance. The following executive was elected (???) to serve for the season:

Bruce Reid - President, Anne Hartman - Secretary-Treasurer, Marion Ward, Ken Ward, Al Chisholm, Peter Saunders - Entertainment.

Badminton is held each Monday and Wednesday evening from 8.30 to 10.30.

A coffee-doughnut night is expected to be held once a month. New members are welcome. Come out and join the fun.

**FIRE DEPARTMENT NEWS**

I wish to thank everyone who helped make Fire Prevention week such a great success. To the store owners and managers my thanks for letting me display posters etc., Terrace Bay Building Supply Centre for the donation of plywood to make our Sparkies, Terrace Bay News for their coverage in the paper. A special thanks to the six ladies for leaving their housework to act as judges of the fire drills at the schools. Everyone will be glad to hear that our schools can be cleared in less than one minute plus fifteen seconds in case of fire. Mrs. Hanson's Grade I won the shield for the Public School, Mr. Rouble's Grade IV won in the Separate School. These shields are awarded to the most proficient class in fire drill and are held by the class for one year.

Remember, although Fire Prevention Week is observed only one week in the year we must practice it 52 weeks of the year, otherwise we will become careless and carelessness causes fires. Let's make every week Fire Prevention Week in Terrace Bay.

Once again thanks to one and all for your help in making Terrace Bay a fire-free town and a beauty spot on the North Shore of Superior with no fire scares to mar the beauty of our town.

TERRACE BAY FIRE DEPT.  
(sgd) R. H. Hofland,  
Acting Fire Chief.

Forgetful campers leave many articles behind in Ont. Provincial parks. Unclaimed at the Lands & Forests District Office here since last year is a plain gold wedding ring inscribed inside with the initials A.K.G.-W.P.B. and the date, January 29, 1941. The office is anxious to find the owner.

# Another first!

Don't leave your boat outside where Frost or Freezing Rain can damage it. LET US STORE IT FOR YOU for the winter. Just call 3738 and make a reservation now while there is still room. One dollar per month will save you a lot of work next spring!

**SCHREIBER COUNCIL QUOTES**

Schreiber Town Council attended to a number of divergent items at the October meeting, one of the most outstanding being a request by D. Caldwell to be permitted to establish a Trailer Camp. The matter is held in abeyance for further study.

The Chamber of Commerce thanked Council for their cooperation on various projects and suggested holding a meeting similar to the one held last year prior to the Municipal Election when candidates for the various offices were introduced to the voters.

A request for a lane on Walker Lake Road was termed impractical by the Department of Highways. A drainage problem on Galena St. is being investigated and a petition from residents of Ann Street discussed.

Glad Bros. received notification to remove existing gravel piles and consideration was given to licensing of tourist accommodation.

Ontario Hospital Insurance for a ward of the Town was obtained on advice of the Childrens Aid Society. The Society was advised by Council that they can no longer use the Chambers to hold meetings.

Acting on a supplementary by-law a request was sent to the Department of Highways for laying cold mulch on Main Street and some of its approaches.

Accounts for the month of October were passed for payment and Council recorded a growing irritation with scrap yards within the town.

Husband - a curious animal who buys his football tickets in June and his wife's Christmas present on December 24.
