JACK THOMAS HONOURED BY BALL CLUB
Manager Jack Thomas of the Terrace Bay Comets was honoured at a recent stag held by the players, at which the executive and umpires were also guests.

The programme consisted of sports films, a general meeting and refreshments, but highlight and purpose of the evening was the presentation of a calendar-pen desk set, suitably inscribed, to the popular manager. Making the presentation on behalf of the team, and expressing the sincere appreciation and regard of the players for Jack, was Rex Taylor, who also recalled a few notable events of the past few years.

In accepting the presentation, Jack noted that, although he will be unable to continue in an active roll with the team, he will always be available to assist in any way he can. He also urged the team to continue to play in the Lakehead League, rather than withdraw to a North Shore League.
