HOLIDAY SAFETY

EVERYWHERE - ALL THE
TIME!

Report by the National Safety Council.

Alcohol and accidents go hand in hand.

More than 25% of drivers or adult pedestrians killed in traffic accidents had been drinking. Six of every 100 motorists involved in fatal accidents were "under the influence of alcohol".

Whiskey affects your vision

Fifty men and women had eye examinations before drinking - then they each drank 1 ounce of whiskey for every 30 pounds of body weight. That means a 150 pound person consumed five drinks in less than an hour.

Forty-five minutes after the drinks were consumed each person was retested and the results were as follows:

1. All suffered loss of visual sharpness.
2. Thirty percent had a significant drop in depth perception.
3. More than half were unable to judge distance well.
4. More than half were affected by glare.

Drinking impaired judgment and reaction time the test showed. When quick thinking is vital to survival the drinking driver is handicapped.

"DON'T DRIVE the HIGH way.

Drive with reason this holiday season."

W. D'ARCY RE-ELECTED REEVE OF SCHREIBER

Schreiber citizens re-elected Wm. E. D'Arcy as Reeve for his eighth term. He polled 303 votes in a close race which showed runner-up W.J. Handel only ten votes behind with 293.

Joseph McGrath headed the vote for Councillor with 335. The other Councillor will be Mrs. Inez McCuaig who received 264 votes. Both have had previous municipal experience, Mr. McGrath having served for two years on Council and Mrs. McCuaig, the first woman to be elected to Council, has served one year.

Don Beno was runner-up with 258 votes - Mrs. Edna Cox polled 119 and D. D'Amour received 107 votes.

The percentage of voters exercising their franchise dropped this year when only 60% turned up at the Polls.

SCHREIBER CITIZEN'S FORUM HELD LAST WEDNESDAY

A Citizen's Forum was held in Schreiber Town Hall on December 6th, sponsored by the Chamber of Commerce. Chairman Gino Caccamo opened the meeting and introduced Mr. Alex Gordon who spoke on the projected new High School.

The incumbent Reeve, Wm. E. D'Arcy, in a bid for re-election, promised a sincere effort to promote the good of the Town and paid tribute to George Gordon who could not stand for re-election to Council due to ill health. Nominee for Reeve, W.J. Handel, pledged his efforts towards town projects.

Tips to Councillor candidates were given by Mr. F. Harness before candidates D. Beno, Mrs. Edna Cocks, D. D'Amours and Mrs. Inez McCuaig gave their views. Joseph McGrath was unable to attend the meeting.

Mr. Pat Guina spoke on the future of Schreiber before Hydro Commission candidate W.W. Wilkes commented. Another candidate, Jack E. Stokes, was out of town.

A question and answer period preceded a highly amusing skit prepared and presented by members of the Schreiber High School Students' Council. A parody on Chamber of Commerce and Council meetings, the skits provided a light-hearted and mirth provoking interlude.

The meeting closed with comments by Chairman G. Caccamo and the singing of "God Save The Queen." Accompanist for the evening was Mrs. J.D. Bryson.
