## NORTH SHORE HOCKEY LEAGUE NOTES

An emergency executive meeting of the League was held on December 6th in Terrace Bay to consider the Nipigon Flyers' request for an extension of their scheduled starting time.

Representatives of all teams were present and Governors from each town except Nipigon. It was the unanimous feeling that four-team League was a must and Nipigon was given until December 21st to play their first game. J. Staples and D. Jones presented Nipigon's case to the meeting.

At the opening game of the regular schedule--Marathon at Terrace Bay on December 7th the League President found it necessary to impose one game suspension on three Marathon Players - J. Charyna, E. Bolan and B. Ferguson for abusive language to the referee in charge and ungentlemanly conduct on the ice. J. Henderson of the Merks was given a two-game suspension for failing to keep his team under control.

## RED ROCK HERE SUNDAY

## ATTENTION MINOR HOCKEY PLAYERS

Minor Hockey players should note that they are to attend hockey practices for their respective age groups only. We have had several instances in the past few weeks where older boys have tried to join practices for younger age groups.

In the future this will not be tolerated and guilty parties will be disciplined.
