### COMMERCE COUNCIL APPOINTS COMMITTEE CHAIRMEN

The Council of Terrace Bay Chamber of Commerce have met twice since they were elected at the formative meeting in November.

On Nov. 30th the Council decided to become a member of the upper Lake Superior Travel Council and participate in the publication of their proposed travel booklet.

Chairmen to head the various committees were appointed as follows: Civic, Transportation and Highways - P. Boudreau; Commercial and Industrial - J. Adamo; Membership - L. Waghorn; Program - K. Weppler and Tourist and Publicity - K. MacLeod.

Interested citizens are asked to note the names of these chairmen who are prepared to handle any business coming within their various classifications.

On Saturday, December 16th Council held their second meeting in the Recreation Centre. Correspondence included a letter from the National Geographic Society acknowledging a Commerce Committee letter pointing out that Terrace Bay did not appear on their most recent map of this area. They indicated that Terrace Bay will appear on future editions.

The Council is making every effort to examine all existing maps and brochures to see that Terrace Bay is properly designated and publicized.

L. Waghorn, Membership Chairman is preparing an intensive drive for members. It is felt that many merchants will wish to pay their dues before the end of the year. It is again pointed out that membership in the Chamber of Commerce is in no way restricted. Any interested citizen is invited to become an active member. Join now and be a Terrace Bay Booster.

The next meeting has been set for 9 A.M. Saturday, January 6th.
