KIWANIS NEWS

It was with considerable pleasure that the Kiwanis Club of Terrace Bay Inc., entertained at dinner on the evening of December 6th the prize winners of their 1961 Kiddies' Fishing Contest. Winners were:- Pike - Billy Shirriff, Pickerel - Billy Stachiw, Lake Trout - Howard Wood, Speckled Trout - Michael Gombola.

Guest speaker for the evening was Mr. T. Stanley Hodgkiss, President of the Ontario Federation of Anglers and Hunters. His address on Conservation presented a new angle to all present. His topic "Soil Conservation" - how to prevent soil erosion and thus increase, preserve and maintain small streams for better fishing, was illustrated with coloured slides he had taken in Southern Ontario this past summer and was accompanied by a tape recording describing each step in the work done on a particular small stream. Various bird songs could be heard in the background. Mr. Hodgkiss is to be commended for this very fine, interesting programme. The Club Members wish all success to his future endeavours during the coming year.

The Lt. Governor of Division No. 1 of Western Canada, Division No. 1 of Western Canada District of Kiwanis International for 1962, Mr. Jack McVey of Fort Frances will be attending the meeting on December 19th for the purpose of inducting the Terrace Bay Club Officers for 1962, who are:-- President - C.E. "Monty" Paget, Vice-President - J.L. "Jim" Hale, Secretary-Treasurer - A. "Al" Hartman. Directors (for two-year term) - D. "Don" Brearley, W. "Bill" Colborne, H. "Harold" Harmer and Dr. B.A. "Brian" McDonald. Directors (one-year term) J. "Jack" Caccamo, R.T. "Ray" Kenney and G. "Glen" Pearen.

CLOTHING PACKED FOR DISTRIBUTION IN ALBANY RIVER

Each member in attendance last Tuesday brought some article of clothing. These were packaged and, through the courtesy of Mr. Harold Harmer of the Club, were forwarded to Orville Weiben of the West-Fort Club for delivery to Indians on the Albany River in time for Christmas.
