Vol. 5, No. 2 - Serving the district in which we live January 11, 1962

## WELCOME TO DISTRICT NEW YEAR BABIES

The stork was a little late in arriving in Terrace Bay this year but finally landed with his bundle from Heaven and presented Mr. and Mrs. J. St. Louis with a daughter on January 6th. As in the past the proud parents will be entertained at dinner by the Terrace Bay Kiwanis Club Inc. and suitable gifts will be presented to them by the Club and local merchants.

The Schreiber New Year Baby was closer to schedule, when a son arrived at nearly noon on January 1st, to Mr. and Mrs. R.W. Pitkanen. The proud parents will be entertained at an affair arranged annually by the Women's Institute and gifts presented to them will include an engraved cup given to the first baby born in the New Year by the Township Council.

## KIMBERLY-CLARK EMPLOYEES' CHARITY FUND MEMBERSHIP DRIVE

To date, thirty-one new members have enrolled in the Kimberly-Clark Employees' Charity Fund. This brings the total membership to 469, or about 83 percent of the payroll. All non-members who have not been personally contacted are urged to turn in their forms indicating their degree of interest in KC-ECF. Hand the forms to one of the Directors or leave them at the Employment Office.

Members wishing to increase their monthly donations may do so simply by calling the Employment Office.

Worthy of note is the fact that the employees of our Woodlands Division at Longlac contributed nearly \$8,000.00 to their Fund last year - about \$2,300.00 more than we did. Their payroll strength is approximately the same as ours.

**LET'S ALL GET BEHIND THIS WORTHY ENDEAVOUR.**

## NOTICE RE GAMES ROOM

Despite the fact that the Recreation Centre Games Room was established for the use of the people of Terrace Bay, an area that most users would be proud to have and to help keep in good repair, we continue to have frequent cases of irresponsible and senseless vandalism, consisting of scattering of litter, marking of equipment and even breakage. Most of this is done by youngsters in their pre-teens but, unbelievably, some is done by teenagers (who derive the most benefit from the room) and some even by immature adults.

Our attempts to control the situation by appealing to offenders to take a greater pride in their facilities, have proved insufficient, so that sterner methods are now required.

In future, anyone guilty of misbehaviour in the Games Room, or in the Recreation Centre in general, will be suspended for an extended period of time. If necessary, and if the matter is serious enough, even sterner methods will be used.

Good users, who are greatly in the majority can further assist to keep our facilities in good repair, by helping to control mis-users.

Perhaps by adopting these methods we can teach these irresponsible few youngsters that they should use care and thought while using the facilities,.... and these immature few adults that ash trays are for cigarette ashes and butts and wastebaskets for litter.

**TAKE A PRIDE IN YOUR FACILITIES. BE SURE THAT OTHERS DON'T MISUSE THEM!!**

## SUPERIORS LOS' ETO RED ROCK & DEFEAT NIPIGON

Terrace Bay Superiors suffered a 7 - 5 defeat to the Red Rock Royals last Sunday but made up for it Tuesday night with an 11 -- 3 victory over the Nipigon Flyers.

To those who witnessed the game Sunday it seemed impossible that the score shouldn't have been in favour of the Superiors but they just could not find the net. Perhaps it is an aftermath of the Christmas and New Year lay-off but their passing and play around the net could do with a little polishing. On Tuesday especially, the trend was still with them in the first period. However, in the second and third periods they got hold and came through with some good hockey.

Scoring-wise, for Adamo, Maurice Osmar and Tookenay, the timing is right. Adamo picked up a hat trick on Sunday and Tookenay got his on Tuesday. Maurice topped the bill with four.

The Superiors will be away for the next two games, playing at Marathon on Thursday, January 11th, in Nipigon on Sunday, January 14th -- will be at home to Red Rock on Tuesday, January 16th and Marathon, Thurs. Jan. 18.
