rinks vacating "A" division. The rinks which didn't do so well are looking for their second wind as round two starts. The new schedule for round two is now posted. Skips are urgently reminded to complete score cards for every game. In addition to the score write win and loss on each side of the card.

The building committee are looking for second wind too in order to finish the lounge building. Starting Jan. 10 work parties by rinks will be scheduled to finish the job. Two rinks will be scheduled each night. Skips will be phoned and a work schedule will be posted at the rink. It means members will be scheduled for work about every ten days. Co-operation is needed to finish the job, so curlers turn out when scheduled or more often if you wish.

**NOVELTY CURLING FRIDAY JAN. 12TH**

This Friday at 8.30 P.M. mixed novelty curling is scheduled. The first regular draw will start at 6.15 P.M. For some fun in mixed curling ladies and men are asked to get their names on the roster, or call Sandy Crawford. The bar will be licensed Friday night. There will be 16 rinks curling. Members are urged to bring a guest and join in the fun. There is no entry fee for the mixed curling.

**HIGH SCHOOL CURLING JAN. 12 AND 13**

This Saturday and Sunday Terrace Bay is host to the Zone 4 High School Curling playoff. Rinks from Nip-Rock, Schreiber, Marathon, Manitouwadge and Terrace Bay will compete for the right to advance to the Northwestern Playoffs in Port Arthur. High School curling can be very keen. Come out and watch some good curling this week-end. First draw starts Saturday at 11 A.M.

**HIGH SCHOOL HOCKEY SATURDAY**

The Terrace Bay High School Hockey Team will play against Schreiber High School Team in the Arena here at 7 P.M. on Saturday night.

**NEWS FROM THE CURLING CLUB**

The second round of squad curling started on Jan. 8. The first produced a few upsets. Scotty Hamilton pulled a big one as the only rink to win all six games in "B" division moving to the top "A" division with 57 points. Ken Johnson as a first year skip won 5 out of 6 going from "C" division to runner-up spot in "A". This resulted in some of the power

**CANADIANS NOT TOO CANDY CONSCIOUS**

(From the Can. Imperial Bank of Commerce Commercial letter)  
 Canadians are not quite as candy conscious as the British and Americans. In Britain annual per capita consumption is almost 28 lbs - in the U.S. it averages 17 to 18 lbs. and in Canada (1960) it was 14.5 lbs. Regional differences show Quebec eaters like bitter-sweet while Ontario residents prefer sweet.
