NEW WOOD STORAGE SYSTEM PLANNED FOR TERRACE BAY MILL

(Exclusive to Terrace Bay News)

The Kimberly-Clark Pulp and Paper Company at Terrace Bay has announced plans for a major change in wood storage facilities.

Since start-up in 1948, four-foot wood has been stored in Wood Yard piles for use during winter months. Plans now call for outside storage of chips rather than logs. The system has been proven elsewhere but it will be the first such installation in this part of Canada.

Prime reason for the change is the substantial saving that will be achieved. Under the new system, winter woodhandling operations will require far less manpower and mechanical equipment.

Estimated savings in labour, equipment, and maintenance costs are expected to be substantial. The entire move is planned to insure continuing full-time employment for the great majority of the Company's employees at Terrace Bay.

Switchover to the new system is scheduled for the fall of 1963. It is expected to be in full operation sometime in 1964.

The High School Board met with Town Council on January 8th in a special meeting concerned with the building of a new High School in Schreiber. Present were Reeve W.E. D'Arcy, Councillors J.P. Guina, F.W. Harness, and Mrs. Inez McCuaig, also School Board members Vice Chairman L.R. McCuaig, with Harold McParland, M.J. McGrath and Cyril Sparkes. Chairman Alex Gordon and Councillor J.M. Mr. McCuaig gave a full report on the meeting in Toronto in December when he and Mr. Gordon had met with the Department of Education and representatives from Terrace Bay.

The Board, it was stated, could not, in the best interests of Schreiber, accept the last proposal made by Terrace Bay to establish a District or Joint High School and the Council unanimously backed their decision, assuring them of their wholehearted support of the momentous decision.

SCHREIBER COUNCIL INAUGURAL MEETING

The inaugural meeting of Council was held Jan. 8, at 7 P.M. with Reeve D'Arcy, Councillors J.P. Guina, F.W. Harness, Inez McCuaig and clerk R.C. Skinner present. Councillor J.M. McGrath was absent due to illness. No citizens were present.

After the oath of office was taken the Reeve welcomed Mrs. McCuaig back, and also stated he was pleased to see Councillor McGrath re-elected, he being both an able worker and one who co-operated with others on council. Mr. D'Arcy said the mill rate must be kept in the foreground when the budget for the year is set up and listed various payments to be made during the year. Councillors spoke briefly and, with the reeve, paid tribute to efficiency and co-operation of clerk Skinner who thanked the members, promising to assist in every way during the coming year.

Reeve D'Arcy stated he had been informed by solicitor H. Blanchard that legal tangles surrounding the closing of roads and lanes, and the exchange of property between Alex McKay and the town, had been unsnarled and the town could expect word of this soon.

Two hundred dollars was set as the price for that portion of Quebec St. between the Canadian Legion and the High School. Members discussed decisions made at the court of revision.

Appointments made were: R.C. Skinner - Clerk-Treas., tax collector and assessment commissioner; Thos. A. Whitton - utility man; Arnold Burns - Town Hall caretaker; F.H. Black & Co. auditors; H. Blanchard, Q.C. - town solicitor; J.M. Cornell, M.D. - Medical Officer of Health (Continued on Page 11)
