# TOWN TOPICS

Four-year old Sharon, daughter of Mr. & Mrs. C. Bougie, celebrated her birthday last week with a party at which she and her girl friends played games, and enjoyed a birthday luncheon complete with cake and favours. Her mother was assisted by Mrs. Joe Wills.

EMERGENCY MEASURES MEETING

For the majority of the 100 or so interested citizens who turned out last Wednesday night to hear an address by Mr. Paul Wark, Field Officer of the Emergency Measures Organization, the evening was disappointing.

Regarding Fallout, nothing that has not already been heard and read repeatedly was discussed.

The meeting was opened by Reeve J. Heenan and the guest speaker was introduced by Mr. Norman Kelly.

Mr. Wark outlined the part the three levels of Government play in planning for the eventuality of Nuclear war. He stated that "war is always by design but that it also can be started by miscalculation" and that "nuclear war will involve Canada." At the Municipal Government level a committee (in rural areas, preferably a district) is established by By-Law and one man is chosen as director.

Protection available in the home and through the erection of shelters was touched on and a demonstration showed that, although ostensibly coated with radio-active dust - a banana, when cleaned and peeled - was still edible.

Booklets were made available to the public and a film entitled "A Day Called X" was shown.

One point which was mentioned and which coincides with a course presently running

here is that every one should know First Aid. The local sponsoring group are to be commended for their efforts and have plans for forming a committee which will investigate and act upon emergency preparations.

SATURDAY MOVIE

This Saturday evening's movie features a Walt Disney action film "Johnny Tremaine". Starting time is 6:45 P.M. at the High School Auditorium.

COMMUNITY CHURCH TO BUILD ADDITION

On Sunday evening, January 14th, approximately seventy members of the Terrace Bay Community Church ratified the proposed 16 Ft. extension to the front of the existing building. This extension will bring the building closer to the minimum frontage line on Simcoe Plaza and will provide extra classroom space downstairs - relieve the congestion problem which now exists at the entrance and will enlarge the interior of the Church proper.

The Board Chairman, Mr. E. Rowson, presided during the meeting and Mrs. H. Goodfellow acted as Secretary. Minutes of three congregational meetings held during 1961 were adopted as read and the 1962 Budget approved. W. Kurylo was reappointed Sunday School Superintendent.

The Building Committee, headed by Mr. J.A. Ferrier, were authorized to proceed with their investigations and have plans prepared and ready to be presented to the congregation in the Fall of this year.

The election of officers, conducted by the Chairman, resulted in the slate proposed by the nominating committee and presented by Mrs. H. Goodfellow, being accepted. W. Baillie replaces Mr. R. Shirriff on the Board of Trustees and M. Deboice, Ted Brown and Jack Kelly are the new members on the Board of Stewards.

Lunch was served by members of the Ladies Auxiliary.
