ART CLUB NEWS

A very successful week end of instruction and painting under the guidance of Mrs. Arthur Smith of Port Arthur was held Jan. 19-20th in the Recreation Centre. There was a very good attendance, which included several new members, whose work showed considerable promise.

Mrs. Smith is to conduct a monthly session through to June. A competent instructor, Mrs. Smith formerly taught night classes at the Lakehead Technical School. She gives individual instruction at each student's level, and especially welcomes the opportunity of working with beginners. The next session will be February 16th - 17th.

On this, her first visit to Terrace Bay, Mrs. Smith was greatly impressed with the attractive lay-out of the town, and stated that the group is fortunate in having the Recreation Centre facilities at their disposal.

On Thursday evening Mr. Laporte of "Don's Decorating & Painting" will present a film on oil painting, at which time the Schreiber Art Club will be our guests. Anyone interested in painting is welcome to attend.
