CONGREGATIONAL MEETING HELD BY ST. JOHN'S CHURCH

At the annual Congregational meeting of St. John's Anglican Church the following officers for the year were elected: G. Birch, People's Warden; W. Robinson, Rector's Warden; Mrs. J.A. Graham, Secretary-Treasurer; W.G. Furlonger, Envelope Secretary. Standing committee chairman will be named later.

Rector R.J.S. Inshaw expressed his appreciation of the loyal support given by the Church officers and the congregation as a whole. The 150 representatives on the train will make visits in homes when ways of life may be compared in friendship. Religious services have been arranged, the day, May 27, being a Sunday, but aside from that the manner of entertainment remains strictly in the hands of the host family, with one restriction—definitely, no civic function. It is the wish and hope of the guests to spend a typical Sunday with a typical railroad family; if 'scratch meals' are the custom in the hosts' home, picnic outings, or quiet afternoons at home—that is what the guests wish to enjoy.
