CURLING NEWS

This Friday February 2nd concludes round two of the squad curling. Rinks will be positioned according to their points and round number 3 will start on Monday Feb. 5th.

KOSKI RINK WINS NOVELTY MIXED CURLING

On Saturday Jan. 27th eight rinks competed in the second novelty mixed curling event. There was a 50¢ entry fee per member and C. Koski's rink took the prizes with Ed Pineault's rink taking the runner-up prize. J. Caccamo's foursome won the mystery number prize. A social evening followed the curling.

NOTICE TO MEN'S CLUB-The deadline for payment of dues is Saturday Feb. 10th. Any member not fully paid up must do so by that date. Payment can be made to Mr. Des Evans Smith or Jim MacDonald.

SUPERIORS BACK IN SECOND PLACE

The Superiors are more than holding their own in the past three games. They dropped an exciting 8-7 thriller at Marathon Thursday, which incidentally gave late starter Ray Stachiw a Hat Trick, knocked the Nipigon Flyers for a loop with a 10-2 shellacking and then doused the Red Rock Royals 6-0 Sunday afternoon.

The Nipigon Flyers put up one of the best fights that they have shown this season, but they were up against the Superiors in one of their best skating and passing games, all the goals with one exception, coming after well executed plays.

It was encouraging to the players Sunday to see such a fine attendance of supporters. The supporters were not disappointed either although they did witness the most poorly officiated game that has ever been played in

the Arena. One balm was the 6-0 outcome of an otherwise fast, tough game.

The Sups will be at home to Marathon Thursday Feb. 1st, they have just four more schedule games on home ice and wins could put them on top spot of the league.
