THE INDUSTRY

Pulp and Paper Foresters have given new life and meaning to forest conservation. They manage the forests on a sustained yield basis. They harvest trees at the stage of their greatest value and utility. They encourage regrowth. They nurture young trees. And the modern operating methods they employ permit the more rapid growth of future harvests. Through forest management, they have assured wood harvests for the continuing and increasing needs of tomorrow.

MISS SUPERIOR CONTEST

As an extra added attraction at the last Superior Home Game Thursday Feb. 15th, patrons will witness the crowning of Miss Superior for 1962.

The committee have been making elaborate plans for this gala occasion, and only hope the townspeople will turn out to the game to support them in this venture.

A Judge's panel of two ladies and two gentlemen will decide the winner of six beautiful contestants on Tuesday night, and the winner's name will be kept secret until the actual crowning on Thursday evening.

The panel will make their decision through a questionnaire based on Personality - Appearance - Knowledge of Hockey.

The girls themselves will be selling Booster Buttons to the townspeople all this week and up until game time next week. The proceeds from the sale of these buttons will determine the amount of Prize money spent and the team's donation to the Miss North Shore Contest. We would like to make it clear at this point that in no way does the sale of the buttons enhance the girl's chance of becoming Miss Superior. This will not be a Salesmanship Contest but will be solely based on Personality, Appearance and Hockey Knowledge.

SUPERIORS DEFEAT FLYERS 9-4 TUESDAY NIGHT

A close race for first place in the closing games of the N.S.H.L. schedule is looming between Marathon Mercuries and the Terrace Bay Superiors. The Superiors have three more encounters with Nipigon and two against Marathon. Two games will be played on home ice, Sunday with Nipigon and Thursday, February 15th against Marathon.

The Sups took a beating, 4-0 in the last game with Red Rock which cost them necessary points but they came back tonight to put the Flyers down 9-4. Flyers put up a much stronger game than in past encounters--at one point in the 2nd period running a 3-3 tie. Maurice Osmar again was high (Cont'd. P. 11)
