SAFETY MEN FOR PAPER INDUSTRY MEET

Sparked by the incentive of a reduction of 32% in serious disabling industrial injuries in 1961, the 10 member mill delegates to the Northwestern Branch of the Ontario Pulp and Paper Makers' Safety Association, will gather with enthusiasm for their first meeting for 1962, in Marathon.

Delegates will be greeted by words of welcome by Claude Steeves, Mill Manager of the Marathon Corporation of Canada Limited, at a banquet being held in the Everest Hotel the night previous to morning and afternoon sessions the day following, to endeavour to further reduce the accident toll.

Mr. Owen E. Hanson, Vice-President and General Manager of the Marathon Corporation of Canada Limited, will be the guest speaker at the banquet.

A highlight of the meeting will be a talk by A.S. Wiley, President of Consolidated Motors (Lakehead) Limited, on that very important safety subject, "Communications". As a member of, and graduate instructor of the Dale Carnegie Institute of Public Speaking, Mr. Wiley is well qualified to speak on this subject, and is noted for his interesting and informative presentations on it.

Also on the Agenda is a talk by Dr. C.H.J. Reason, surgeon-in-charge of the Wilson Memorial Hospital, and Medical Officer of Health for Marathon, on medicine and its relationship to accident prevention.

Hal Parker, Safety Supervisor for the Marathon Corporation, Mill Division, and meeting program chairman, reports that many other facets of safety and accident prevention will be taken up and discussed, including one of particular interest to paper manufacturers, "Chemical Hazards".

Mr. John DeBelle, and Don Ballantyne will contribute much of importance on this subject on behalf of their company, the Canadian Industries Limited, who are making this presentation possible.

General Chairman of the Branch, Sam Ashton of the Abitibi Power and Paper Co. Ltd. of Port Arthur, will preside over the days' deliberations.

KC-ECF ANNUAL MEETING HELD

On February 14th in the Recreation Centre, the 2nd Annual meeting of the members of the Kimberly-Clark Employees' Charity Fund was held with W. Bailie as Chairman.

In his report on last year's activities, Mr. Baillie advised that a total of \$5,636.50 had been donated from the Fund to 16 worthy charitable organizations. Warm letters of appreciation were received from all recipients. Two such letters came from Greece from persons who had received CARE parcels paid for by KC-ECF. The letters have been sent away for translation.

In the annual drive for members conducted in December and January, 37 new members were enrolled and several old members increased their donations, bringing the 1962 pledge to total close to \$6,000.00 and membership to 470 or about 84% of the Company payroll.

Mrs. Clarence Buck and Vern Hopper were elected to the Board of Directors to fill vacancies created by the resignations of Clarence Buck and John Dejonghe.

The financial statement for 1961 was approved and a meeting of the Board of Directors was scheduled to draw up a budget for 1962.
