DEADLINE MARCH 14 FOR 1962 MOTOR VEHICLE PERMITS

If the reader has not already obtained his or her vehicle permit and drivers licence for the new year, it will be well to remember that the positive deadline date to obtain such has been set firmly as March 14.

NORTH SHORE HOCKEY

The North Shore Hockey League playoff "best four of seven game" series began Tuesday, March 6th at Marathon. The second game will be played in Marathon, Thursday March 8th. On Sunday, March 11th the scene moves to Nipigon and with the game goes the added attraction of judging the North Shore Hockey League Queen. Our own "Miss Superior" Gail Wood, will be vying for the honour.

The Nipigon Flyers have requested that Terrace Bay be their home ice in the event that ice conditions at Nipigon become unusable.

The remainder of the schedule is as follows: - Nipigon, Tuesday, March 13 - Marathon, Thursday, March 15 - Nipigon, Sunday March 18 - Marathon, Tuesday, March 20.

COUNCIL QUOTES

A delegation from the Chamber of Commerce, Messrs. C.E. Paget and J. Caccamo met with the Terrace Bay Council prior to their regular meeting Wednesday, to strongly urge they expedite the development of a Trailer Park and Camp Site, and to offer their services in any manner to further this project.

Reeve Heenan replied for Council, stating they have negotiated with the Company, had the land surveyed and were at present, awaiting the clarification of their yearly commitment, under the Parks Assistance Act.

He doubted seriously, their ability to do much more than develop the swimming area, water and sewage, and to make a small start on the park facilities in 1962 with the balance completed in 1963 and 64. Questioned by the delegates as to the desirability of which should be given development priority, Reeve Heenan felt it benefited the majority

to see the swimming area completed though he did not close the door on the possibility of further development this year.

Before leaving Mr. Paget on behalf of the Chamber of Commerce, questioned the reasoning for refusal of the use of the Town Crest on Business establishment membership cards. It was explained the present Town Crest had been made up for presentation as Awards given only to persons who had performed meritorious service of some achievement and that it was not, (CONT'D ON PAGE 10)

Education Week

Education Week is a time set aside each year for all citizens to take time out to consider the most important task that lies within our responsibilities--that of educating our children for their life's work.

The visit of the parent to the school on this occasion is valued by both pupil and teacher, and symbolizes the dual role of home and school in the educational programme.

A cordial invitation is extended to parents and friends to visit the Terrace Bay Public School on the evening of Wednesday, 7th of March, from 7:30 to 9:00 p.m. The teachers will be in their classrooms and the work of the pupils will be on display. An opportunity will be offered parents to meet with the teachers to discuss matters of mutual interest.

A film strip entitled "Your Childs' Intelligence" will be shown in the Grade 8 room and a question and answer period will follow.

Tea will be served during the evening.

Last week parents were invited to visit, St. Martin's School when a similar program was presented and parents interviewed teachers and inspected classrooms and the work of students displayed.

RATEPAYERS ENTHUSIASTICALLY ENDORSE SCHREIBER HIGH SCHOOL

Over 150 ratepayers attended the regular meeting of the Schreiber High School Board on Thursday night, and gave an overwhelming and enthusiastic vote of approval to the Board's decision to build a new school in Schreiber. Mr. A. Gordon, the Chairman, was in charge of the meeting, with Mr. O.B. Fasan School Principal, taking over for the question period, and giving an explanation of the new policies in Education. All members of the board were present and happy to answer questions also.

HON GEORGE WARDROPE TABLES 1961 REPORT "A YEAR OF EXPLORATION AND DEVELOPMENT"

Just seven weeks after the books were closed on 1961, the Ontario Department of Mines report, "1961--A Year of Exploration and Development" is ready for public distribution. This rapid publication of full information on the activities of the mining industry and within the Department is in line with the Department's procedure of recent years.

The report deals in some detail with producing mines in the province, and with others which are undergoing development work. It is designed to present a compact summary of conditions within the industry, and it is written throughout, (Continued on Page 10)
