

HIGH SCHOOL LETTER (CONTINUED from Page 8) subjects for which he has no preparation along with his own, and try to get them across to large segments of his classes who are unsuited to advanced academic work.

If the plan of having two separate High Schools persists then, in the words of a highly regarded Toronto educationist, "the people of Terrace Bay and Schreiber will be denying their children the right of a better Secondary School education and will be paying through the nose for it at that!"

It is my personal opinion that the two High Schools right now have quite strong staffs. Both Boards would be wise to sign their present teachers to long-term contracts without delay to make certain that their doors will still be open in 1964.

(SIGNED) William F. Colborne,
Parent and Teacher.

NEW PENS FOR POST OFFICE (Cont'd from Page 2)

the Hon. William Hamilton, the nib pens being used on lobby counters in post offices are to be replaced by modern ball-point pens.

The new pen is black and gold and is equipped with a 24 inch chain for attaching to a desk or counter to discourage "borrowing" by absent-minded patrons.

KIWANIS SPIEL & SOCIAL

The local Kiwanis Club, under the direction of the Inter Club Committee, held their Annual Bonspiel in the Terrace Bay Curling rink, on Saturday followed by their business dinner at the Terrace Bay Motor Hotel, and a Social evening in the New Curling Club Lounge.

The Thor Olsen rink skipped by Harold Harmer, T. Olsen 3rd, R. Kenney 2nd, Rev. R. Anderson lead won the events with the consolation going to the Burton Phillips rink, of the Schreiber Men's Club. B. Phillips skip, A. Bull 3rd, E. Nieni 2nd, and O. Strassen lead. The first event prizes were Parker pens and the Consolation, playing cards.

At the Social evening, the T.V. Hockey Fans watched the Canadians & Detroit battle to a 2-2 tie. While preparations were under way to dance to the music of "Grey Cup Famous" - Flash Burke who supplied the music for the evenings entertainment.

The Kiwanis members wish to thank the Mens and Ladies Curling Club for their wonderful co-operation in making the days activities such a success.

WANTED - Small apartment or ups'airs, for young married couple. Phone 3362.

HON GEORGE WARDROPE REPORTS (Cont'd from Pg.1)

in non-technical language so that it can be of value equally to the individual or organization concerned directly with mining enterprises and to the interested laymen.

The book is very generously illustrated with maps, graphs, charts and pictures. The body of the review runs to 123 pages.

It is divided into two parts. Part I deals with the mining industry and Part II outlines the activities and services of the branches and offices of the Department.

In tabling the review in the Legislature Mines Minister George C. Wardrope said, "I believe that publication of this review so early in the year, while the information it contains is still current and newsworthy, represents a real service to the mining industry and the public generally. I question whether this particular sort of achievement is quite matched by any other department of any government in Canada."

Single copies of the report may be obtained without charge upon application to the publications office of the Department in Toronto.

A copy is in the files of the Terrace Bay News and is available to those wishing to see it.

COUNCIL QUOTES (CONTINUED FROM PAGE 1)

a Town Crest in the true sense.

Council proceeded with the reading of the minutes by Secretary F. Strutt and dealt with all correspondence. A letter from Mr. D. Fisher, M.P. promised support with regard to the Town's need for a Radio relay transmitter which would be investigated. G.E. McKinnon of the Department of Lands and Forests confirmed the building of a Division in Terrace Bay to be commenced this year.

Permission was granted upon request for a Shamrock Tag Day on March 17th, by the Catholic Women's League. Mrs. E. Wood wrote describing the hazardous Highway crossing by pupils of the kindergarten, who are out of school before the School Patrols take over, and which would become a greater problem with the approaching tourist season.

Reeve Heenan said this situation had been looked into last season, when it was felt the only solution was to keep the smaller children until the regular hours, but promised further investigation.

The Recreation Committee's account for February was approved for payment. Councillor Valiquette questioned the advisability of Council Dictating the terms of the Recreation budget, to which the Reeve stated the Recreation Committee was an advisory committee only and it remains the jurisdiction of the Council to set the budget and choose the area where any cut should be made.

A reply from the Town's solicitor stated the Relief Constable might be paid by the Town, deductible from the Constable's salary to cover all benefits and insurance.

The Road By-Law set for One Thousand for construction and Twelve Thousand for maintenance was approved.

A motion was passed to purchase to purchase Blazers for the Ladies Curling rink in lieu of the Town Crest presentation, which they had already received for their last year's achievements in curling. It was further moved that Mr. D. Boudreau attend, as representative of the, (Continued on Pg. 13)
