**EASTER SEAL CAMPAIGN**

Sure crippled children can play tennis and participate in many other games when they attend the crippled children camps during the summer months. Camping is just one of many services provided by the Ontario Society for Crippled Children as a result of the public's support to the annual Easter Seal Campaign. The current Campaign is seeking a million dollar objective and runs to April 22nd.

**SWIMMING POOL FOR TERRACE BAY**

To be or not to be is not the question. Rather, where to be promises to spark lots of discussion. As noted in the report on last council meeting Reeve Heenan proposed investigating erection of a heated aluminum pool in the Townsite.

To stimulate interest in this issue the "News" invites its readers to write in stating their views. Consult with Chamber of Commerce members, Council members, - get facts and figures on costs, maintenance etc. and then let's get behind a pool - wherever it's built!
