GUIDERS CLUB MEETS

Mrs. M. Caldwell was hostess Monday evening to the Terrace Bay Guiders Club, when Mrs. L. Downey presided and Mrs. B. Peterkin read the minutes.

The Color Party ceremonial during Fly Up was discussed and the Brownies role at this time, clearly defined. The sign should not be used by a girl not in uniform. Suitable arrangements were made for the storing of the rose arbour.

The leaders discussed what they were most desirous of learning during the training session, April 7 at Marathon. The general Leadership training for Guide and Brownie Leaders at Polly Lake was also open for discussion.

The next Fly Up will be held either June 9 or 16 and Mrs. G. Sitch, Brown Owl of Pack Two will be in charge. Final arrangements will be completed at the May Guiders meeting. Mrs. D. Thompson will be responsible for Brownie songs at this Fly Up.

A suggestion was received from the Local Association to Guides and Brownies that the girls combine for a Skit Night, each company or pack presenting a fifteen to twenty minute skit. Tickets and candy would be sold by the Local Association. A tentative date of 8.30 on April 27 was suggested.

The evening closed with Guiders inspection when minor badge and pin discrepancies were noted, after which the hostess, Mrs. Caldwell, served lunch. The next meeting will be held at the home of Mrs. Vivian Hanna on May 21.

welcomed the large turnout of family and friends and introduced Mr. Fred Farwell, the Field Representative of St. Johns Ambulance for Northwestern Ontario.

Mr. Farwell heartily congratulated this fine large class of girls who, through their desire to become better baby sitters, had undertaken this course in Child Care, and also mentioned though he had several classes in session in the Lakehead and district in First Aid and Home Nursing among girls, this was the first Child Care course for the district. He then took pleasure in presenting the Girl Guides with their certificates.

A very interesting and impressive interlude was provided between presentations when members of the Schreiber Nursing Division of the St. Johns Ambulance gave a demonstration on the treatment of a home accident victim until a doctor arrived. Commentator was Mrs. Dorothy Rummery, Divisional Officer, with Instructor Mrs. Helen Jartus, the former Divisional Superintendent. Victim was Mrs. S. Willoughby, nursing member and other members of the team were Nursing members Mrs. H. Ralph and Mrs. M. Johnson.

Mr. John Ferrier, before presenting the members of the C.G.I.T. with their certificates complimented both groups of girls on their splendid appearance in their smart uniforms. He also complimented the girls on their initiative in taking this course and seeing it through to completion, noting it would be invaluable to them for the rest of their lives.

Chairman of the Schreiber-Terrace Bay Branch, Mr. Lester Crandlemire thanked both Mr. Farwell and Mr. Ferrier for their participation in the evening and added his congratulations to the girls. He further offered his appreciation to Mrs. V. Rapke and Mrs. M. Hale, members of the Terrace Bay Branch of the North Shore Registered Nurses Association who had instructed the girls in their course.
