

HUNTER SAFETY CLASSES

The first Safe Gun Handling Class will be held at the Recreation Centre on Friday, Apr. 6th. Anyone interested in taking this course must register by this date.

MEN'S TEN PIN CHATTER (Al. Pattison)

Sleepers really solidified their 3rd place in the standing last week, by taking 13 points and increasing their lead over Aces by 11. Moose took 9, Aces - 8, Bears - 7, Kingpins - 5, and Shift 2 - 3, Standings are unchanged from last week.

Howard Cooke, of Kingpins has been bowling sensationally the past few weeks, scored consistently in 3 games for a 539 total, which is 2nd high for the year. With handicap, Howard had 635 also second high to date. In spite of Howard's fine bowling his team was only able to garner 5 points because of having to bowl a "Blind". This really hurts and with the season fast drawing to a close it's all the more important that players inform their team captains well in advance, if they can't make it. We have a list of good bowlers on the spare list who are usually more than willing to come out.

LADIES TEN PIN LEAGUE

The Moaners were the high bowlers this week. Out of a possible 21 points they picked up 20. Elsie Ostling's high single of 168 and high three of 444, combined with Aggie Szpak's 414 helped their team to pick up the points. Dot Thompson and Bea Fawcette had nice games of 438. Followed by Liz. Malashewski, 435, Marion Pluta 432, and Anita Susin 402.

With only a couple more weeks of bowling left the Nites have moved into top spot by 1 point over the Pats.

Points taken this Week: - Moaners - 20, Honey-Bees - 19, Nites --13, Alibiers - 12, Anchors - 9½, Splits - 6½, Rookies - 4, Good-Fellows - 0.

Don't forget the roll off's, top four teams on May 3, Bottom five teams on May 4, Starting time for roll-off's 7 o'clock.

ART CLUB BUSINESS MEETING

Thursday night - 8 P.M. in the large meeting room of the recreation centre. Plans for a weekend painting session will be discussed.

BADMINTON CANCELLED APRIL 11TH

There will be no badminton April 11th due to the annual Terrace Bay Band Concert.

COMMUNITY CHURCH BUILDING COMMITTEE REPORTS

At a meeting of the Community Church Building Committee last week preliminary plans for the extension to the Church were received from the architect. The plans were discussed and approved after a few minor changes. They were then sent back to the architect for completion.

CATHOLIC GIRLS' CLUB MEETS

Annette Comeau presided over last Thursday's meeting of the Catholic Girls' Club. The meeting opened with the "Prayer for the Renewal of the Mission and minutes read by Velma LeBlanc and report given by Elaine Long, Treasurer.

A hairdryer will be raffled. Highlight of the meeting was a talk by Miss Mary L. Elliott.
