## LADIES AUXILIARY (CONTINUED FROM PAGE 7)

to present to the members the need of the  
Sunday School for more teachers for the com-  
ing fall.

The evening was brought to a close with Hot  
Cross Buns and Tea served by Mrs. R. Downey  
and her committee of Mesdames M. Desrosier,  
E. Boutilier and M. Frederickson.

### STORK CLUB

Born to, Mr. and Mrs. J. Day of Terrace  
Bay, a son, on April 4th.

Born to, Mr. and Mrs. E. Cobey of Schreiber  
a daughter, on April 4th.

The following letter was received from  
Choon Shik, who is the foster child of Rev.  
and Mrs. J. Ray Anderson, and the Hi C Club  
of the Community Church.

Dear Foster Parents,

Most of all, I wish you lots of blessings  
in God's grace, dear foster parents. I got  
three letters and two lovely Christmas Cards  
from you lately as well as a wonderful family  
picture of the Andersons. I put it in my

album and enjoy all the letters and pictures  
from you so often.

Our Sunday School class members have in-  
creased, and there are 120 in all now. I was  
able to lead one of my neighboring friends to  
our church, for which I was rather praised by  
our Sunday School teacher. When any new one  
joins us in our Sunday School class, we all  
sing for him or her with a warm welcome.

We like the spring and summer best of all  
the seasons, as it gets so lovely and warm.

In March everyone is promoted to the next  
grade in school. Our school is short of  
space for the new children, so additional  
rooms are being built.

I hope this finds you all very well and in  
the best of health. So Long,

With Love,  
Choon Shik.

### KIWANIS CAR STILL ON ICE

Have you placed your guess yet? The rec-  
ent wintry weather has made some of the more  
optimistic ticket holders revise their estim-  
ates of when the car will go through. If you  
have not already done so or have not been  
approached to buy a ticket, just get in touch  
with any Kiwanian and he'll see that your  
entry gets in the drum. Don't delay-do it  
NOW.

**FOR SALE - Refrigerator, Rangette, and a  
Kenmore Dryer, can be seen at 208 Kenogami Rd.**

### HOUSEHOLD HINTS Squeaking Floors

To stop the annoying squeaks caused by two  
floor boards rubbing against each other, spray  
some powdered graphite or sprinkle some tal-  
cum powder between the offending boards at  
the friction spot. The graphite or talcum  
will work its way between the loose boards and  
act as a lubricant in preventing further  
squeaks.

While occasionally inconvenient, a poor  
memory can sometimes be a great asset.
