SKATING CLUB ACKNOWLEDGE HELP

We would like to take this opportunity to thank everyone concerned who helped in anyway at our recent Figure Skating Carnival. Special thanks go out to Food Services, Wag-horns Pharmacy, the dressing room staff, Mr. D. Evans-Smith, and our local guest artists.

We would also like to make mention at this time of two omissions from our program. Firstly due to an oversight on the part of this writer, Mrs. Ruth Boudreau's name was excluded from the list of the Club Executive; our apologies Ruth. Secondly, in one of our skating numbers, due to the withdrawal of Mr. Ken Ward, we failed to make mention that Mr. Gordon Calder was substituting for Ken and our apologies Gord!

The Skaters wind-up party is scheduled for Saturday April 14th, in the form of a Luncheon complete with movie at the Terrace Bay Motor Hotel. Will all skaters wishing to attend please contact Mrs. Lil Harris.

HIGH SCHOOL BASKETBALL

MEN'S TEN PIN CHATTER

Only two bowled over 500 scratch last week these being Buck with 500 (209) and Ted Stachiw 505. While there were no spectacular team games Moose did bowl steadily to pick up 13 points. They were followed by Bears - 11, Aces - 9, King Pins - 6, (with their snappy new King-type shirts), Sleepers - 4, Shift #2 with - 2.

With the season rapidly coming to a close the standings are as follows: Bears 252, Moose 224, Sleepers - 195, Aces - 189, Shift #2 - 172, and Kingpins - 160.

The third spot still seems in doubt with Sleepers and Aces, taking turns in that place but the others seem fairly well established. There are only three more weeks to go to beat some of the records for the year. Some of them have stood for many weeks, so get out there boys and go after them.

Play off dates should soon be announced as well as which teams will be bowling for Championship and Consolation awards. Let's finish off the season strongly and keep in mind building our League for next year. All of your suggestions for improvement are welcome.

SCOUT FATHER AND SON BANQUET, SATURDAY, APRIL 28th.

YOUNG TERRACE MAN OVERSEAS ANNOUNCER

The most widely known and closely followed sports announcer, with the overseas forces, is Terry McInnes of Terrace Bay. Terry is a natural, declare his fans and most important his news can be relied on, and covers a wide field, coupled with an entertaining delivery.

Terry, it is commonly agreed, if he wishes to leave the armed forces, has another career awaiting him, with a ready-made fan club.

KNIGHTS OF COLUMBUS PLAN DANCE

It isn't necessary to swat a mosquito with all your might, but there's a lot of satisfaction in it.
