THREE YOUTHS SENTENCED

Three youths from St.Catherines, Ontario recently appeared before Magistrate T.A. Connor in District Magistrate's Court, Port Arthur after being apprehended six miles east of Schreiber in possession of tires and oil stolen from the Circle Route Service Station in Terrace Bay during the night of April 4th.

Due to a previous record one youth was sentenced to three months in District Jail, the other two receiving one month jail terms each.

The youths were travelling from St.Catherines to the Lakehead in an attempt to find employment when the 1955 Chevrolet in which they were travelling developed tire trouble between Marathon and Terrace Bay, thus prompting the theft of tires.

Co-operation between local police and Ontario Provincial Police also resulted in the apprehension of a Toronto man and the recovery of a Thunder Bay Co-op milk van stolen from Schreiber and \$85.00 worth of cigarettes and confectionery obtained during a break-in at the Terrace Bay Rec.Centre in the early hours of April 10th.

The van and a quantity of the stolen cigarettes were found in the ditch east of Marathon and a short distance away, O.P.P. (See Page 10)
