#### HORTICULTURAL SOCIETY MEETS

President H. Goodfellow welcomed the good attendance of members Tuesday evening to an open meeting of the Terrace Bay Horticultural Society which was held in the large meeting room of the Recreation Centre. Minutes and correspondence were read by Secretary Gertrude Cotton and Alice Farrow gave the Financial statement.

John Steen announced his Show Committee had work well underway for their annual Show August 25th. Mrs. E. Connors reported 101 members to date with more reports still to come in.

Mrs. Mary Martinsen of Mary's Flower Shop in Schreiber volunteered to accept Schreiber memberships at her shop. Due to the extremely late spring membership deadline was extended until May 15 for this year only and still receive the premium of gladioli bulbs.

Seeds for Junior Gardeners had been ordered by Chairman L. St. Louis and school children would be contacted after the Easter vacation. Works Chairman G. Valiquette reported the tuberous begonias had been started for transplanting to the Hospital grounds and it was agreed to order more as replacements. Ab Farrow reported for soils and fertilizer committee, stating the commercial fertilizer had arrived. Soil samples collected and sent to Guelph for analysis showed a need for heavier fertilizer.

A. Derosier reported work on the Garden Flots had been delayed due to the poor weather. A question concerning agricultural lime was presented and those wishing to order this may do so by contacting the secretary.

Mrs. Mary Martinsen, a new resident of Schreiber was introduced by the President following adjournment of the business meeting. Members received with many questions her demonstration on the art (Cont'd P. 11)
