Call the Recreation Office.

GOLF CLUB WORK PARTIES

Golf Club Work parties have been scheduled for Tuesdays and Thursdays of every week from 5 -- 7 P.M. in the evenings. Saturday morning work parties will not be held regularly, only when necessary and notice will be given in the Terrace Bay News.

The main area of work is on numbers 1, 2, 3 and 4 fairways which we hope to seed this summer. This consists mainly of clearing small trees and bushes and burning the brush piles. We hope to have some heavy duty equipment at the Course in approximately two weeks to start levelling the fairways and to start hauling black dirt for seeding purposes. Anyone wishing to cut birch for firewood or information regarding work parties are asked to contact Thor Olsen. Needless to say, there is plenty of work to be done this summer and large turnouts would be appreciated at our Tuesday and Thursday work parties.
