HIGH SCHOOL STUDENTS HOLD TEA AND DANCE

The students of Terrace Bay High School, wish to thank those who helped make their Tea and Bake Sale a success. The students worked hard for this and the results were very favorable. A special thanks goes to Mrs. A. Hartman and Mrs. P. Gombola who poured for the tea.

At the dance held Saturday evening Henry Gaulin's name was drawn by Mrs. G. Coons as the winner of the "Guess-Who" contest and students and guests were entertained by the recently formed "Discords", a group consisting of Glenn Hodgkinson, Alan Conchie, Bruce Young and Bob Legault.

We, of Terrace Bay High School, have great hopes that the "Discords" will achieve as great a success at the popular "Twiliters" of Schreiber.

MEN'S TEN PIN ROLL-OFFS DECIDED

In both Championship and Consolation Roll-offs the competition was keen and the outcome was in doubt until the last game.

The Champs this year are the Moose, captained by Nick Chopty, with Ray and Ted Stachiw and Carl Kolody. Outstanding bowling by the Stachiw brothers was the difference as the lead see-sawed from game to game. The perennial Champs, the Bears, fought hard and actually led at the end of the third game but Moose were not to be

denied and finally won out by twenty-five pins.

In the Consolation Shift No.2 won out in spite of a fine finish by Kingpins who almost nipped the winners in the last game. It is co-incidental that, as in the championships, the consolation winners won by twenty-five pins. Shift 2 is captained by Bill Kurylo with Jean Santerre, Emil Hamann, Lloyd DeJonghe and Joe Shubaly making up the team.

Congratulations to the winners of both sections of the roll-offs and to the other teams for their fine showings.
