CREDIT UNION SUB CHAPTER MEETING

The Terrace Bay Community Credit Union was host Saturday evening to a meeting of their Sub-Chapter. A social hour preceded the eight o'clock meeting when members and delegates representing White River, Marathon, Manitouwadge, Schreiber and Terrace Bay aired their views on affairs concerning the district. Special guests, Dave Joyal, Cuna representative and Harry Miles, President of the Lakehead Chapter, were welcomed by the presiding chairman, Jim Comeau of Marathon.

Minutes of the previous meeting were read by the secretary, Pauline Hoffman also of Marathon.

A lively discussion on a possible Sub-Chapter school to tie in with the coming Lakehead Chapter School on June 1st and 2nd, and Sub-Chapter meeting brought forth many suggestions, such as small classes to encourage self-participation, the possible need of supervision by a Field man from the League or experienced representatives from the Lakehead. The secretary requested a representative from each member of the Sub-Chapter on the executive as well as the present officers and the executive were empowered to set up such a committee. This Committee is to investigate fully and complete arrangements for a Sub-Chapter School. Vince Doyle, member (Continued on Pg. 14)

SPRING CLEANUP

In order to speed up spring cleaning in Terrace Bay the Township will pick up trash raked from back and front yards and placed in neat piles at the front of the property until the 25th of May.

After this date it will be the responsibility of the owner or tenants of houses to remove all rubbish other than garbage placed in proper containers.
