BASEBALL SEASON OPENS THURSDAY

The Terrace Bay Comets open this year's baseball season on Thursday (May 24th) with a home game against the Red Rock Royals. Game time for the opener will be 6 p.m., but opening ceremonies will commence at 5:45.

1962 edition of the Comets will feature most of last year's team with several newcomers. Pitching aid in the person of Jack Dixon, who hurled for Port Arthur Red Sox and Fort William East - Ends, has been received, along with some players from the Terrace Bay Minor ranks.

With a large financial deficit to pay off from past years, the Comets have started several fund-raising activities and solicit your support to help them field a good representative team. Playing baseball costs the players a goodly amount of money of their own each year, and they must rely on community assistance to help cover expenses.

Load support by attending games and boosting club activities.

LET'S SEE YOU ALL OUT TO THE "OLE BALL GAME" THIS THURSDAY!!

ROLLER SKATING STARTS THURSDAY

Don't forget the opening Roller Skating session this Thursday evening at the Terrace Bay Arena. Regular sessions will be held every Thursday from 7 - 10 p.m.

Make this healthy recreation a weekly activity for the family.

MINOR HOCKEY BANQUET SATURDAY

Players, coaches, managers and referees of this year's Minor Hockey Association are reminded of the Annual Banquet and Awards Night to be held in the High School Auditorium this Saturday.

Starting time is 5:30 p.m.

SATURDAY MOVIE CANCELLED

This Saturday's scheduled movie, "African Lion", has been cancelled because of the Minor Hockey Banquet being held in the Auditorium that night.

Next movie, "Wings of Chance", will be shown on Saturday, June 9th.

SEE PAGE NINE FOR COMPLETE SCHEDULE OF GAMES TO BE PLAYED BY THE LAKEHEAD BASEBALL ASSOCIATION TEAMS DURING THE BALANCE OF MAY - JUNE AND JULY.

CHAMBER OF COMMERCE SEEKS MAIL DROP BOXES

Due to insufficient members to constitute a general meeting of the Terrace Bay Chamber of Commerce, President C.E. Paget declared the meeting on May 22nd, a meeting of the Council since the required number of the council were present. Minutes of the May 2 Council meeting were read by the Secretary J. Kelty.

The President read a letter received from Constable H. Billings outlining the result of his investigation into cost and features of a burglar alarm system for local merchants. This matter was turned over to J. Adamo for further investigation with the understanding that he will report back to Council.

A report on the current status of the Aguasabon Gorge prepared by Norm Kelly was reviewed and filed.

Question presented by members of the Chamber of Commerce, concerning the annual spring clean up, were generally discussed and Mr. Paget agreed to contact the Township Council offering to make a tour of the community and submit a report on the need for a general clean up if indicated. Should the Township Council agree to this suggestion, it was felt that the emphasis should be on property adjacent to the highway and the business district. Mr. Kelty volunteered to head up this project if and when clearance is received.

J. Adamo was appointed to head up a committee to investigate the parking problem in and around the business district.

It was agreed that installation of two or three mail drop boxes in the Town would be of benefit to citizens. W. Colborne was appointed to investigate the matter and prepare a letter to the Post Office Department, making such a request.

On question from a Chamber member, the President advised that any and all members are welcome at Council meetings.

Lionel Waghorn, Membership Chairman, reported 48 paid up members.

SCHREIBER COUNCIL QUOTES

All councillors were present at the May meeting of Schreiber Township Council. Reeve D'Arcy presided and two citizens were present.

Trailer parking in the town and the increasing number of welfare cases were discussed. A letter was sent to the M.O.H. regarding certain living quarters at Walker's Lake and with in the Town. Permission was granted the Kinsmen to erect a Thermometer registering donations toward the Incubator Fund.

A Bylaw banning the sale of fireworks in Schreiber (effective next year) was prepared. The bylaw also governs permits for holding a display. Council passed a new bylaw dealing with the licensing and registration of dogs.

A petition from all mothers in the north end regarding (Continued on Page 8)
