TOWN TOPICSPOST OFFICE NOTICE

Observations by the Postmasters in Schreiber and Terrace Bay require that we respectfully bring to the attention of our Patrons the following Post Office regulations which we find are being more frequently ignored:-

1. Box holders are required to carry their keys at all times. The Staff is not permitted to open boxes except in emergency.
2. Patrons having a representative pick up their mail must furnish such person with a note over his signature.
3. Employees are not permitted to reveal the presence of mail at the Post Office for Patrons, either personally or by telephone.
4. We have found that some children carrying keys are trying to open other than their own box and hereby warn parents that we are forced to take action to stop this serious offense.

the arrival of their special train at 2:30 PM the guests were quickly whisked away by their waiting hosts to be shown the sights of the district and taken into their homes.

Coming from all parts of the Commonwealth, different things impressed different members of the group. A young lady we were fortunate enough to entertain was greatly impressed with Canadian homes and the appliances we are apt to take for granted. Industry, living conditions and unions, culture, education and attitudes were all discussed - pictures were taken, addresses exchanged, new friendships formed then, after dinner, the guests were somewhat regretfully put aboard their waiting train to continue their trip across the country.
