

MINOR BASEBALL (Cont'd from Page 2)

Success of the Leagues to date can be attributed to the fact that several parents and High School boys have taken over the coaching reins for most of the teams, giving of their time to keep the Leagues active. However, we still require a helper for Bill Stachiw and his DODGERS, and coaches for the two Bantam teams. Please contact the Recreation Office if you can assist us.

Coaches at present are:- International League - D.Moore, American League - C.Simmer, C.Wood, Jr., G.Grosdal, J.Crandlemire and G.Solly - National League - B.Stachiw, E.Pineault, E.Marquis, J.Hayes, G.Papousek, A.Dejonghe, F.Schock.

Umpires - D. Moore and F. McLeod.

COMETS SPLIT DOUBLE HEADER WITH COLONELS

Terrace Bay Comets continued to have a difficult time posting their first win, as they lost the opening game of Sunday's double-header to the Port Arthur Colonels by a score of 7 to 2.

Jack Dixon, COMETS starting pitcher, deserved a better fate as he held the visitors to 2 singles over the first five innings. However, shoddy fielding in the 6th and 7th innings allowed the COLONELS to forge ahead.

Hits in the first game were 9 - 6 in favor of Port Arthur.

Rex Taylor chalked up the locals' first win of the year with a steady 6-hitter in the 2nd game, as COMETS roared back with 10 hits and errorless ball for a 5 to 1 win. This was probably the first time of the year that Terrace Bay showed its true potential, and should be a sign of better things to come.

The COMETS travel to Red Rock for a single game this Thursday evening, and then play host to the Westfort TURFORS in a double-header here this Sunday afternoon. Crowd support to date has been very poor, so let's get out and support the team in their home games.
