DON'T BE A "LITTERBUG"

Lands and Forests Minister, the Hon. J.W. Spooner appeals to campers, picnickers, vacationists and the public generally not to be "litterbugs", for litter not only is a fire hazard but also detracts from the beauty and cleanliness of parks, woodlands and all outdoors.

Ample provision is made in provincial parks for garbage disposal and visitors are asked to co-operate, particularly where abandoned cans and bottles can become dangerous, especially to children.

When vacating camp, make certain that it is left clean and tidy for the next campers.

ROLLER SKATING

Don't forget roller skating sessions every Thursday, from 7 to 10 P.M. and every Sunday from 8 to 10 P.M.

COLOR CHANGES ROOMS

You can re-design rooms through your color selection. To "shorten" a long room, use a dark shade of a warm color (red, orange and yellow) on the end walls. To "widen" a narrow room, use a light shade of a cool color (blue, green, or violet) on the side walls. To increase all-around spaciousness, use the same light, cool shade on all four walls, woodwork and ceiling.

The more arguments you win, the fewer friends you will have.
