SUMMER AWARDS

Those people who earned summer awards in Red Cross swimming, minor baseball, swim meets or other summer events, and who have not yet collected their awards, may do so by con-tacting the Recreation Office.

LITTLE LEAGUE BASEBALL

The Terrace Bay Little League All-Stars, undefeated in their outside games this year, have two trips in the offing that will test their ability against more seasoned teams. This weekend the locals travel to Beardmore for a double-header fastball game, and fol-lowing that, will go to Current River to play against one of the Lakehead Little League finalists. Thanks is extended to all of the local garages for their donations of gas for travelling, and to the local Moose organi-zation, which arranged and sponsored the home-and-home series with Beardmore.

Coaches Pineault and Papousek are justly proud of their team, and it is hoped that other adults will follow their example in fu-ture years in assisting us to expand and bet-ter our Minor Baseball programme.

BANTAM BASEBALL

Terrace Bay Bantams bucked foggy weather and an inspired Marathon team at a game in Marathon last week, with the locals going down to a close 4-2 defeat.

Decked out in the Comet uniforms, the Bantams came up with some snappy play, but were victims of two long-field hits with men on base, that decided the win.

Dense fog hampered play of both teams, and the game had to be called after 5 innings. Marathon Bantams will visit Terrace Bay this

weekend.

One article being offered for sale in Cac-camo's groceterial will certainly not be found in any other store-- a six dollar bill! As the old ditty ran "sounds phony I know, but it really is so!" At least the bill accepted by Mrs. Caccamo as a five dollar one was later discovered in the counting to bear five dollar marking on one side and one dollar marking on the reverse.
