For Fire Safety

"THINK
ABOUT
FIRE
WHEREVER
YOU ARE"

"SO LETS CHECK OUR HOMES FROM THE BASEMENT TO THE ATTIC"
LETS MAKE SURE THERE IS NO CHANCE OF A FIRE
STARTING IN OUR HOME, NOW OR LATER.

(EXAMPLE)

- BASEMENT *** FURNACE, CHIMNEY, PIPES, OIL TANK, etc.
- *** NO TRASH (PAPERS, BOXES, SAWDUST, etc.
- *** FUSE PANEL, ONLY 15 AMPERE FUSES.
- ***LEAVE NO OILY OR WAXEY RAGS IN PILES
HERE AND THERE.
- ***NEVER USE FRAYED OR DAMAGED EXTENSION
CORDS.
- *** MAKE SURE ALL GASOLINE, PAINT, etc.
(are stored outside home)
(in proper containers)

EACH ROOM IN THE HOUSE SHOULD BE CHECKED IN THIS
MANNER TO MAKE YOUR HOME FIRE FREE.

"REMEMBER IT IS TO LATE TO SAY" "I SHOULD HAVE FIXED
THIS OR THAT WHEN A FIRE HAS STARTED"

"IF YOU NEED ADVICE IN THE MATTER OF FIRE OR WHAT YOU
SHOULD KNOW ABOUT FIRES. CONTACT YOUR FIRE DEPTMENT WE ARE
ALWAYS GLAD TO HELP DAY OR NIGHT THATS OUR JOB.."
