LOCAL PHOTOGRAPHER MERITS AWARD

On October 5th, Doug Large, local photographer and operator of the Mini 8 Photo Lab, has been awarded a charter membership in the Photographers International Assoc. of Orvington N.J. by the association's board of directors.

The P.I.A. is a world wide association of professional photographers which seeks the common goals of technical proficiency, improved business techniques and the advancement of the photographic media as an art.

Although Mr. Large has been an associate member of the P.I.A. for 2 years, the granting of charter membership to him and other advanced amateurs marks the first time that non-professionals have been considered for inclusion in a professional level photographic association.

Make it a point to attend the T.B. X-ray Clinic this week, October 17th, 18th, and the 19th.
