(3) Sylvia Duquette was re-elected as the club's voting delegate on the Northwestern executive.

(4) Fees were discussed and no change will be made. Regular membership will remain at \$14.00 per season with associate membership being \$7.00.

(5) Nights for curling will be Tuesdays and Thursdays. A meeting will be called for those curling in the afternoons and it will be decided at that time which afternoons are best suited for the majority.

(6) It was agreed that runner-up prizes for all trophies will be English Bone china cups and saucers.

(7) Tentative dates for our Annual Bonspiel were set for March 29th, 30th, and 31st. We are awaiting approval from the men's club on these dates.

(8) Type of curling will be Round-Robins for all trophies.

(9) It was unanimously agreed by all present that for evening curling it will be "Skips pick your Rink". This matter will be left to the afternoon group to decide when a meeting is called with them in the near future.

There are still several of last year's curlers who have not submitted application forms. Additional application forms will be available from Barbara Haughn at the Post Office, and everyone interested in curling is urged to fill one of these forms in and forward it to Nat Coates, Box 166, Terrace Bay not later than Friday, October 26th.

If you have not as yet been approached by a skip to curl, submit your name, and the draw committee will endeavour to have you placed on a rink. Everthing possible will be done to accommodate all who submit application forms.

All members and prospective members are reminded that they must first be members of the Terrace Bay Recreation Association and all curling fees must be paid in full prior to the first scheduled games.

It is expected that ice will be available the first or second week of November, and a social evening of curling is planned to start things off and to get everyone limbered up for the coming season. Instruction will be given at this time to all new curlers.
