BOARD OF HEALTH MEETING

Reeve W.E. D'Arcy presided for a meeting of the local Board of Health, held in the Town Hall. Present at the meeting were Dr. J.M. Cornell, M.O.H., Mrs. W.G. Furlonger, ratepayers representative; Mr. Ted Borutski, town foreman and R.C. Skinner, secretary.

A letter was received from the Provincial Health Inspector regarding the restaurant being constructed adjacent to the Anglican Church. The board referred this letter to the council to deal with recommendations as set out in the Public Health Act.

Dr. Cornell asked Mr. Borutski to investigate a matter of drainage onto the highway and see if this situation has been corrected.

Mr. Borutski reported the nuisance ground in good condition, and septic tanks and cess pools satisfactory with two exceptions, these to be checked again for overflow into the ravine.

On recommendation of Dr. Cornell, the secretary was instructed to write the Department of Highways stating that the South end of Walkers Lake has been contaminated for the past three or four years and is getting worse due to the old drainage being blocked off by Department of Highways road development work.

Dairies were inspected and found in good condition, water tests were satisfactory.

The health of the community is fairly good, a few cases of impetigo were treated and under control. Mrs. Furlonger reported that the students in all the schools had been skin tested.

Dr. Cornell advised against permitting trailers to come into the town and stay as it could create a sanitation problem.

MISS R. FRIM ADDRESSES NORTH SHORE NURSES

The North Shore Registered Nurses held their meeting Wednesday, Nov. 28th with Miss Rose Frim, District Nurse for the Ontario Society for crippled children, as guest speaker. Mrs. Jean Boltby presided for the meeting. Mrs. Margaret Skinner agreed to act as Schreiber representative and Mrs. Rena McAdam as secretary-treasurer for the coming year, the office of president to be filled at the January meeting.

A discussion was held on meetings. Members feel that, due to road conditions, during the winter months, it would ensure better attendance if only Spring and Fall meetings were held, instead of meeting every second month.

Mrs. Jean Cuthbertson reported on proceeds of the draw sponsored by the Schreiber unit, \$116.00.

Mrs. Boltby introduced Miss Frim who said the Ontario Society for crippled children was organized by a small group of Service Clubs in 1922. (Continued on Page 10)
